

I am writing concerning the K-LOVE translator. K-LOVE is a valuable part of my life and provides inspiration through Christian Music that I cannot get on any other station. The loss of K-LOVE to an LPFM broadcaster would cause a loss of unique and spiritual radio programming that helps me through the day. The loss of K-LOVE would undoubtedly affect many others in Bismarck in the same way. The sense of loss would be great. K-LOVE provides a unique service to the public by providing a sense of peace in a hectic world filled with secular music. K-LOVE provides a calming influence to drivers who are surrounded by the frustrations of daily living.

Please consider carefully what the loss of K-LOVE to an LPFM broadcaster would have on the lives of many in Bismarck, ND.
